How do I submit an application?
A student meeting the eligibility requirement may file for a 24-month extension of employment authorization by filing form I-765, application for employment authorization, with the appropriate fee, prior to the expiration date of the student’s current OPT employment authorization. If a student timely and properly files an application for
a 24-month OPT extension, but the form I-765, Employment Authorization Document, currently in the student’s possession, expires prior to the decision on the student’s application for 24-month OPT extension, the student’s Form I-765 is extended automatically pursuant to the terms and conditions specified in 8 CFR 274a.12 (b)(6)(iv).

**Periods of Unemployment during post-completion OPT 214.2 (f)(10)(ii)(E)**

During post-completion OPT, F-1 status is dependent upon employment. Students may not accrue an aggregate of more than 90 days of unemployment during any post-completion OPT carried out under the initial post-completion OPT authorization. Students granted a 24-month OPT extension may not accrue an aggregate of more than 120 days of unemployment during the total OPT period comprising any post-completion OPT carried out under the initial post-completion OPT authorization and the subsequent 24-month extension period.

**Additional reporting obligations for students with an approved 24-month OPT 214.2 (f)(12)(ii)**

Students with an approved 24-month OPT extension have additional reporting obligations. Compliance with these reporting requirements is required to maintain F-1 status. The reporting obligations are:

- Within 10 days of the change, the student must report to the student’s DSO a change of legal name, residential or mailing address, employer name, employer address, and/or loss of employment.
- The student must make a validation report to the DSO every six months starting from the date the extension begins and ending when the student’s F-1 status ends, the student changes educational levels at the same school, or the student transfers to another school or program, or the 24-month OPT extension ends, whichever is first.
